

# Getting Started with Fathom Reads

## Step 1: Log into Fathom Reads using your library card number

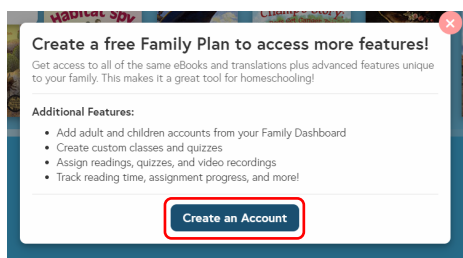

## Step 2a: Explore our eBook library and games in 'Guest Mode'

OR

## Step 2b: Create an account to access dashboards and other advanced features

### Option 1

Click "Create an Account" from the pop up that appears when logging in using your library card number

### Option 2

Find the dot grid in the top right-hand corner of our webpage and click "Create an Account"

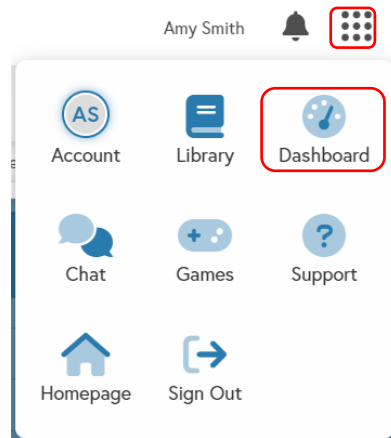

## Step 3: Create login credentials

### NOTE:

Only **one** family member needs to create login credentials at this point. You can add other family members to your account later.

## Step 4: Find your Family Dashboard

## Step 5: From your Family Dashboard (3x3 dot grid in top right), Add Users to your account and create their login credentials

### NOTE:

Once you create login credentials here, your family members will be able to use those credentials to log into Fathom Reads.

## Step 7: Enroll your respective children to a class

### NOTE:

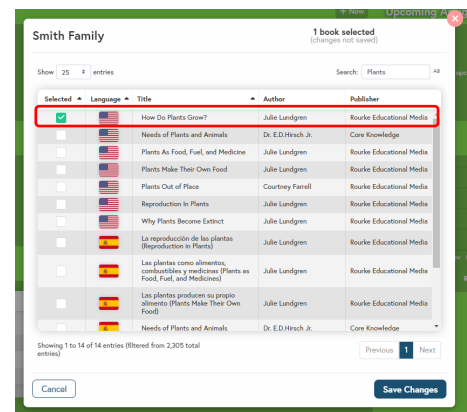

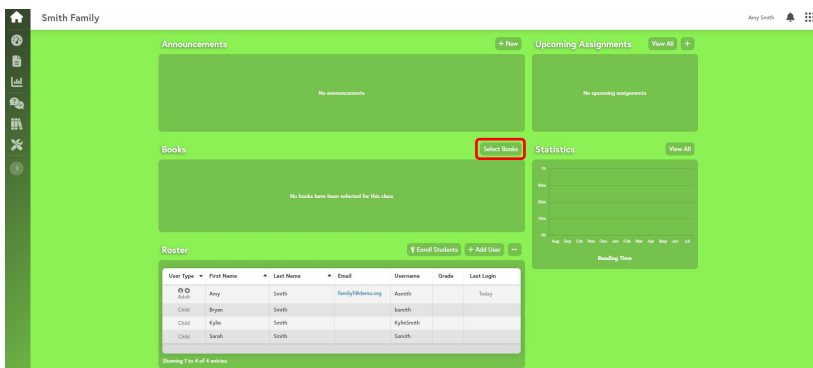

To enroll a child this way, you must have already added them as a user from your family dashboard (step 5). If you have not added them as a user yet, rather than choosing "Enroll Students", choose "Add User" and add a child that way.

## Step 8 (optional): Add eBooks to your virtual bookshelf

### NOTE:

After clicking "Select Books," a list of all titles will appear. Search for the desired eBook(s) and check the selection box. The eBooks added will then appear on your child's dashboard for easy access.

## Step 9 (optional): Add an assignment

### NOTE:

After clicking "+" next to "Upcoming Assignments," an assignment window will appear. Choose the assignment you would like to create and enter the necessary information before assigning.
